

Wild Apricot Launches Mobile App for Members

If you want to speed up event registrations and increase engagement among your members, encourage them to download our free Mobile App [Wild Apricot For Members](#). The app has been one of our popular [WishList items](#) for a while, so we are excited to finally launch it.

The [Wild Apricot for Members app](#) is an app where your members can view your organization's upcoming events, register for participation and pay event fees. We simplified the entire registration process and made it mobile friendly.

The app also provides access to the member directory and their personal profiles.

Not sure whether the member app will be a good fit for your organization? [Click here](#) to take our quiz to find out.

Where to Download the Member App

The app is available on both iOS and Android.

The easiest way to get your members to download the app is to send them an email with a link to the app in the app store.

Here are links to download the app:
